

Visit https://mytax.illinois.gov/_/

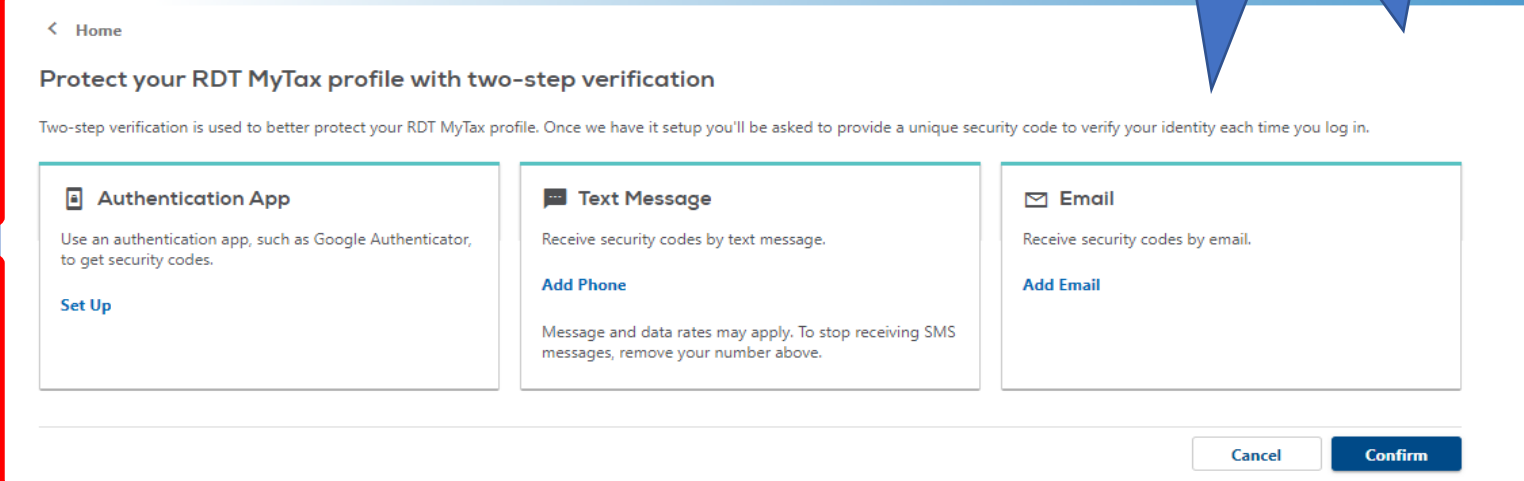

The image shows the MyTax Illinois login page. At the top left is the MyTax Illinois logo. Below it is a search bar with the text "Search our online services". The main content area features a background image of the Illinois State Capitol building. Overlaid on this is a dark grey login form with the following elements: "Username" and "Password" input fields, a "Log in" button, a link for "Forgot username or password?", a link for "Don't Have a Logon? Register Here", and a "Sign Up" button. A red bracket highlights the Username and Password fields.

Enter your MyTax log in and password

You will now have to select a Two-step verification once you have successfully logged into your account

The image shows a mobile app screen for setting up two-step verification. At the top, it says "Protect your RDT MyTax profile with two-step verification". Below this is a paragraph explaining that two-step verification is used to better protect the profile and that a unique security code will be required at login. There are three selection options: "Authentication App" (with a "Set Up" link), "Text Message" (with an "Add Phone" link), and "Email" (with an "Add Email" link). At the bottom right, there are "Cancel" and "Confirm" buttons.
