

## ILLINOIS LIQUOR CONTROL COMMISSION

November 25, 2025

**To: Illinois Liquor Control Commission Licensees**

**Subject: Notice of New Illinois Liquor Control & Compliance Portal Launching 2026**

Dear Licensees,

The Illinois Liquor Control Commission (ILCC) is pleased to announce the upcoming launch of the new Illinois Liquor Control & Compliance Portal in early 2026. This portal will replace the current **MyTax Illinois** platform for ILCC licensees and will serve as the new, centralized location for managing all ILCC licensing and compliance activities.

Beginning in early 2026, all existing ILCC Licensees as well as new applicants will be required to use the new online ILCC Portal.

**Action Required:** To access the new ILCC Portal, you will need to create an **ILogin** account. ILogin is the State of Illinois' secure identity verification system, used across statewide services. Please take a few minutes now to establish your ILogin account if you do not already have one. **Visit:** <https://iloginhelp.illinois.gov> to create your **ILogin** account.

Please note: **MyTax Illinois will no longer be used for ILCC-related transactions once the new portal is live.**

We appreciate your cooperation and partnership as we implement this important upgrade. Our goal is to make your licensing experience simpler, faster, and more efficient. If you have any questions, please contact the ILCC Licensing Division at [ILCC.Licensing@illinois.gov](mailto:ILCC.Licensing@illinois.gov). Updates will also be posted on our website at [ilcc.illinois.gov](http://ilcc.illinois.gov).

Thank you for your attention and continued compliance with Illinois liquor laws and regulations.

Sincerely,

A handwritten signature in black ink, appearing to read "Lisa Gardner".
